

Destination Calabria (DJ Ramirez Remix)

Alex Gaudino

Destination unknown...I left my job my boss my car and my home.

I'm leaving for a destination I still don't know.

Somewhere nobody must have duties at all.

And if you like this you can follow me so let's go,

Follow me,

And let's go,

To a place where belong and leave our troubles at home come with me,

We can go... to a paradise of love and joy a Destination Unknown.Now I won't feel those heavy shoulders no more,

My life got better now I finally enjoy,

Yes all the people want to come here and so?

Come on and join us you can do that now let's go,

Follow me,

And let's go,

To the place where we belong and leave our troubles at home come with me,

We can go... to a paradise of love and joy a Destination Unknown...Destination Unknown...Destination Unknown, unknown, Destination Unknown, follow me and let's go follow me and let's go Destination Unknown, follow me and let's go follow me and let's go Destination Unknown, Follow me and let's go to the place where we belong and leave our troubles at home come with me, We can go... to a paradise of love and joy a Destination Unknown.
