

# It's Jigaboo Time (skit)

## The Pharcyde

Aiyyo yo yo I tell you what's up  
I tell you tell you, tell you what's up

When you sign a crossed line, it's jigaboo time  
It's jigaboo time yo it's jigaboo time  
When you're runnin out of lyrics, it's jigaboo time  
It's jigaboo time, it's jigaboo time

Yo, when you rappin for the money, it's jigaboo time  
It's jigaboo time it's jigaboo time  
When you don't have a plan, it's jigaboo time  
It's jigaboo time, it's jigaboo time

You're rappin' for the white man, it's jigaboo time  
It's jigaboo time, it's jigaboo time  
When you don't have soul, it's jigaboo time  
It's jigaboo time, it's jigaboo time

Nigga when there's pork in your bowl, it's jigaboo time  
It's jigaboo time, it's jigaboo time  
So lts and lots of pork in your bowl, jigaboo time  
A real big bowl of fat, wait a minute wait a minute

It's jigaboo time, it's jigaboo time  
It's jigaboo time, it's jigaboo time

Aow! Show me them teeth baby  
Okay could you bug your eyes just a little bit?  
Yeah, straighten that ass out  
Yeah, yeah, that's cool, I mean you know, real ghetto  
Okay we'll shoot the video over here  
We need umm like a street area, y'know, toothless  
And homeless, wearin' gold chains, all that shit

Fuck all that bullshit!  
I ain't going out like no sucker

But we're all jigaboos in our own way  
So, might as well just get paid, and say, fuck it, y'know
