Machinery

Lou Barlow

Waiting for the peace of the night to be shattered
I do believe my illusions are in tatters
When I see the pale moonlight in the skyI know it's gonna come, like a hurricane hittin'
I breathe a sight 'coz it's only the beginning
When I see reflection deep in his eyes
I know, he's got the power to hit itI don't believe what he said to me
I'm feeling like a piece of machinery
Gotta get in closer 'coz I can't see
When you're telling me the truth, I refuse to believeRunning on the ground with my innocence fading
I do believe there is something I am gaining
When I get that red hot fever insideI wanna give it hell and behave just like a goner
I wanna stay and reduce the things I wanna
When I see the pale moonlight in the sky
I know, he's got the power to hit itI don't believe what he said to me
I'm feeling like a piece of machinery
Gotta get in closer 'coz I can't see
When you're telling me the truth, I refuse to believeI don't believe what he said to me
I'm feeling like a piece of machinery
Gotta get in closer 'coz I can't see
When you're telling me the truth, I refuse to believeI don't believe what he said to me
I'm feeling like a piece of machinery
Gotta get in closer 'coz I can't see
When you're telling me the truth, I refuse to believeI don't believe what he said to me
I'm feeling like a piece of machinery
Gotta get in closer 'coz I can't see
When you're telling me the truth, I refuse to believe
I don't believe what he said to me
