

# Twilight

**Pete Shelley**

Watching the twilight  
I saw it flicker  
Feel that I might as well give up and go  
On the horizon  
Are distant reminders  
Twilight is the only love I know Shadows dissolving  
No good me trying  
I always find it hard to leave and let go  
I knew that you loved me  
Guess I was mistaken  
Twilight is the only love I know
