

Hate to Love Me

W.A.S.P.

You know I deceived you, you see it's all in my eyes
A marquee of madness, DeSade, I claim that you're mine
Oh, the mad eyes of your lover, in through my eyes you see
No you'll never run I know you hate to love me, love me
No matter what you do
I know you hate to love me, love me
Oh no, you got nothing to lose I know your emotions are slaves I've bound and I've tied
Oh, you'll never be free 'cause you master chained your life
Oh, the mad eyes of your lover, in through your soul I see
No you'll never run I know you hate to love me, love me
No matter what you do
I know you hate to love me, love me
Oh no, you got nothing to lose no, no I got no face but I've a name, I'll touch and add you to my fame
I'll set you free but understand, Mom and Daddy made me what I am
Oh, the mad eyes of your lover, [Incomprehensible] through you
No you'll never run I know you hate to love me, love me
No matter what you do
I know you hate to love me, love me
Oh no, you got nothing to lose To love me, love me
No matter what you do
I know you hate to love me, love me
Oh no, you got nothing to lose no, no
