

System Of A Down

Television in disgrace
 Life you get old, it's the race,
 Can you break out,
 Can you break out,
 Will you live at your own pace. Life, so, unnecessary, Television in disgrace
 Life you get old, it's the race,
 Can you break out,
 Can you break out,
 Will you live at your own pace.
 Now will you live at your own pace?
 Will you live at your own pace.
