What Goes On

Bryan Ferry

What goes on
What goes on in your mind?
I think that I am falling down
What goes on in your mind?I think that I am upside down
Lady, be good, do what you should
You know it will work alrightLady, be good, do what you should
You know it will be alright
I'm going up and I'm going downI'm going from side to side
See the bells up in the sky
Somebody's cut their string in twoLady, be good, do what you should
You know it will work alright
Lady, be good, do what you should
you know it will be alrightOne minute born, one minute doomed
One minute up, one minute down
What goes on in your mind?
I think that I am falling downLady, be good, do what you should
You know it will work alright
Lady, be good, do what you should
You know it will be alrightHow does it feel to be loved?
How does it feel to be loved?
