New Radicals

Puu, pupupupupu, pu, pu, pu

She came from a world that is so far out
Roller skating into my life I never had no doubt
(Puu, pupupupupu, pu, pu, pu)
She said, "Where to get that velvet colored hair"
I said, "I got lots more somewhere
If you touch my big"
(Puu, pupupupupu, pu, pu, pu)
And she said, "I come from a world that is so far out"
(Puu, pupupupupu, pu, pu, pu)
And I said, "So do I"
And she may not be the world's solution
But she's a world class revolution, ohh
(Aaa)
