

Funny How Love Can Be

The Rockin' Berries

There she goes with her nose in the air
Funny how love can be

Wonder why she pretends I'm not there
Funny how love can be
Funny how love can be

There she is with her look in her eyes
Hasn't got time for me

Wonder why she pretends I'm not there
Funny how love can be
Funny how love can be

What a thing to happen
Left without a friend
What a thing to happen
Funny how true love can end

I can see that she just doesn't care
How can I make her see

I'm in love, but it just isn't fair
Funny how love can be
Funny how love can be

Oh
Funny how love can be
Oh
Funny how love can be
