

Celebrate

Empire of the Sun

Follow the simplest fact
Girl you cheated through the breakin' way
Fall through the love like I never loved
Soberer than I've ever been Call me, hard to emerge yea
Sittin' on the fire and waitin'
All the things I have changed and Im afraid you
Crossed an inch away We celebrate, we celebrate our love
We celebrate our love
We celebrate, we celebrate our love
We celebrate our love Sorry, it touches a bad news
What you wanted I say come on and go
Louder, lookin' at all the fires
I say anyway the inch took off Sorry, the angels had split sure
Of the verge and washed away
To fly is only one, all I ever said
In a simple way We celebrate, we celebrate our love
We celebrate our love
We celebrate, we celebrate our love
We celebrate our love We celebrate, we celebrate our love
We celebrate our love
We celebrate, we celebrate our love
We celebrate our love 'Cause for real it looks like youre in the dark
Bount to be upon a star
Imagine how youd feel
Here's we're feeling lost We celebrate, we celebrate our love
We celebrate our love
We celebrate, we celebrate our love
We celebrate our love We celebrate, we celebrate our love
We celebrate our love
We celebrate, we celebrate our love
We celebrate our love
