

Make Believe

Pixies

I've been lost since she's gone
The piano, she's really on
I don't want you to marry me
Make believe, you're Debbie G
Come look down on, who you are

She is love with a voice and a shape that's my guitar
I don't want you, you want me
Make believe, you're Debbie G
Make believe, you're Debbie G
Make believe, you're Debbie G
