

Lost Boys

The 69 Eyes

Nothing's gonna make you stop
You wanna rock
Everybody knows you're lost
Morning light hurts your eyes but that's another thing
Nothing really matters behind the shades of blue
Blind boys never lie but that's another thing
Nothing really matters behind the shades of blue 'Cause in the end you're just reborn again
You wanna rock and
nothing's gonna make you stop
And nothing's gonna break you up
Everybody knows you're lost in the nighttime honey
Lost boys We are dead until dark but that's another thing, yeah
Nothing really matters behind the shades of blue
You say, you wanna live like I do but that's another thing
Nothing really matters behind the shades of blue 'Cause in the end we're just reborn again
You wanna rock,
nothing's gonna make you stop
Nothing's gonna break you up
Everybody knows you're lost in the nighttime honey
Lost boys Nothing's gonna make you stop
And nothing's gonna break you up
Everybody knows you're lost in the nighttime, honey
Lost boys You wanna rock, love is gonna make you stop
Love is gonna break you up
Everybody knows you're lost in the nighttime honey
Lost boys Love is gonna make you stop
And love is gonna break you up
Everybody knows you're lost in the nighttime honey
Lost boys Love is gonna make you stop
And love is gonna break you up
Everybody knows you're lost in the nighttime honey
Lost boys Nothing's gonna make you stop
Lost boys
Everybody knows you're lost
Lost boys
