

# Don't Know Why

Eric Clapton

You say, you want everything good for me  
But I know you so well, I can tell when you're lying  
    Making believe, you're looking up to me  
And I'm just sitting here, cryingAnd I don't know why  
    I don't know why  
I don't know why, I don't careYou'll go on back to him, he'll take you in  
    I know, he's gonna love you, but I still want you back again  
    'Cause baby, you're part of me, it's deep inside of you  
    When he's done all he can  
You'll come running to your other man, oh yeahAnd I don't know why  
    I don't know why  
I don't know why, I don't careI know, you won't soon forget last night  
    Your precious love was all over me, but it's all right  
    Go on and try again but you know, nothing's gonna change  
    That's the way it's gonna be, oh yeahAnd I don't know why  
    I, I don't know why  
I don't know why, I don't careI don't know why, I don't care  
    I don't know why, I don't care  
    I don't know why, I don't care  
    I don't know why, I don't care
