

Dog-Face Boy

Motörhead

Big-time, poor boy, out your pain again,
Jet plane, outside looking for another friend,
O my, look out, give it up, twist and shout,
Dog-face boy, Dog-Face Boy, Werewolf Hero, Pride and Joy,
Dog-face boy, Dog-Face Boy, Canine weirdo, Dog-Face Boy. Get down, damn straight, fall out, night and day,
No class, uptight, where you gonna stay,
Shoot straight, home base, get down, win the race. Dog-face boy, Dog-Face Boy, Werewolf Hero, Pride and Joy,
Dog-face boy, Dog-Face Boy, Wolfman zero, Dog-Face Boy. Stay out, gone home, right on make it back,
Get down, be still, make it up, heart attack,
Do right, main squeeze, back down on your knees. Dog-face boy, Dog-Face Boy, Werewolf Hero, Pride and Joy,
Dog-face boy, Dog-Face Boy, full moon weirdo, Dog-Face Boy.
