8am Departure

The Perishers

Stay, I wish I could stay
You could call in sick
We could make out all dayOr maybe take the dog for a walk
Have a picnic by the water
Just sit there and talk
But not a word about the futureNo, I don't wanna go home
I wish I didn't have to go homeI guess I could miss my flight
And say my cab got stuck in traffic
And couldn't make it on time
That I got left behindI wish I didn't have to go home
I wish I could stay if just for a day
I wish I could stay
No, I don't wanna go homeWhen I've left, we'll both be alone
And can't be closer than over the phone
But the worst part of it all
I don't know when I'll see you again
Will I see you again?No, I don't wanna go home
I wish I didn't have to go homeNo, I don't wanna go home
