

# White Rabbit

## Jefferson Airplane

One pill makes you larger, and one pill makes you small  
And the ones that mother gives you, don't do anything at allGo ask Alice, when she's ten feet tallAnd if you go  
chasing rabbits, and you know you're going to fall  
Tell 'em a hookah-smoking caterpillar has given you the callAnd call Alice, when she was just smallWhen the  
men on the chessboard get up and tell you where to go  
And you've just had some kind of mushroom, and your mind is moving lowGo ask Alice, I think she'll  
knowWhen logic and proportion have fallen sloppy dead  
And the white knight is talking backwards  
And the red queen's off with her head  
Remember what the dormouse said  
Feed your head, feed your head
