River of Love

George Strait

Hey baby won't you take a little ride with me
Have a look around, see what we could see
I've got the paddle, I've got the boat
Come on baby I know she'll floatWe'll go rollin' on the river of love
We'll go rollin' on the river of loveDrift away from all these city lights
Might rock a little bit, so hold on tight
Let's get carried away with the gentle flow
Might get caught up in it's undertowWe'll go rollin' on the river of love
Let's go rollin' on the river of loveI got a little ukulele let me sing you a song
I got a stream of kisses 'bout ten miles long
Dancing on the water in the moonlight beach
Sparking down through the sea of dreamsWe'll go rollin' on the river of love
Let's go rollin' on the river of loveYeah we'll go rollin' on the river of love
Let's go rollin' on the river of loveRiver of love
River of love
River of love
Rollin' on the river of loveLet's go rollin' on the river of love
