Problem Child

AC/DC

I'm hot
And when I'm not
I'm cold as ice
Get out of my way
Just step aside
Or pay the price
What I want I take
What I don't I break
And I don't want you
With a flick of my knife
I can change your life
There's nothing you can doI'm a problem child
I'm a problem child
I'm a problem childMake my stand
No man's land
On my own
Man in blue
It's up to you
The seed is sown
What I want I stash
What I don't I smash
N' you're on my list
Dead or alive
Got a .45
N' I never missI'm a problem child
I'm a problem child
I'm a problem childJust watch your stepEvery night
Street light
I drink my booze
Some run
Some fight
I win they lose
What I need I like
What I don't I fight
N' I don't like you
Say bye bye
While your still alive
Your time is due'Cause I'm a problem child
I'm a problem child

I'm a problem child
I'm a problem child
Problem child
I'm a problem child
I'm a problem child
I'm a problem child
Problem child
Problem child
Problem child
Problem child
Problem child
Problem child
Problem child
Problem child
Problem child
I'm a problem child
Problem child
Problem child
Problem child
Problem child
Problem child
Problem child
Problem child
Problem child
Problem child
Problem child
