

Impossible

Joe

I can't do it this time, I'm sorry
I tried

Girl I've taken care of you, so far so good.
And you never have to worry, just stay with me.
Girl I'd die saving your life, I would.
Whether in the mansion or in the hood.
This is how we vow to remain.
Now the times are harder than they've ever been
So close to throwing the towel in.
I need you to appreciate what I'm doing for you.

[Chorus]

What is trying when I've giving you my heart
Nothing left at all, what do you want?
What is winning when I've given you my soul?
My heart of gold, it's yours to own.
You want me to do, do the impossible, do the impossible.
Girl I've done everything to be just a man,
I can't do the impossible, do the impossible.
I know I tell you that I am,
But I'm not Superman.

Not to contradict myself that I can provide,
But the fight is tough, when your opponent is time.
Baby when you looking foul now?
The struggle we will prevail now,
But sometimes we need to just wait it out.
But I need you not to doubt me, not no more,
Just stay calm and look cute and show some poise.
And baby if we happen to strike out, there's always another around.

[Chorus]

Can a person really go to God himself,
To ask him to grant your wish.
Either way you lose, cause I may not come back with it.
Hope you see that I'm willing to give my life for you,
Girl I shouldn't have to.

But I really wanna meet your demands.

You want me to do, do the impossible, do the impossible.

Girl I've done everything to be just a man,

I can't do the impossible, do the impossible.

I know I tell you that I am,

But I'm not Superman.
