

# Tighten Up

## The Black Keys

I wanted love, I needed love  
Most of all, most of all  
Someone said true love was dead  
And I'm bound to fall, bound to fall for you Oh, what can I do? Yeah Take my badge but my heart remains  
Loving you, baby child  
Tighten up on your reigns  
You're running wild, running wild, it's true Sick for days, so many ways  
I'm aching now, I'm aching now  
It's times like these, I need relief  
Please show me how, oh, show me how To get right, yes, out of sight When I was young and moving fast  
Nothing slowed me down, oh, slowed me down  
Now I let the others pass  
I've come around, oh, come around, 'cause I've found Living just to keep going  
Going just to be sane  
All the while I know  
It's such a shame I don't need to get steady  
I know just how I feel  
Telling you to be ready  
My dear
