

B.L.A.B. (Ballin Like a B*tch)

Ace Hood

Ever since I cant remember I have been balling like a bitch
private plane champagne bitches being sweet
Ever since that money came they have been known the deed
We found supermodels always in the poem of lease
What is he in for what hat pussy calls
I blow up 20 thousand enemies just to peas them off
Bitch I am here to set it off I am here to set if off
You used to be the man now you are falling off
You nigger brought a .. I brought a club bowl
My condo on the bitch .. what the fuck are they hating for
Stay on some .. that wont drop them till our money sold
Every time I ride I keep my money .. I am talking .. I get this snapping like a photo
You following all these bitches that is a no no you are pillow talking with this home runs
Use a homo stick to the G code I remain in see me money like I am working on a free flow
If I am spending money she is officially my freak on and I keep them fans they are wherever we go
Ever since I cant remember I have been balling like a bitch
private plane champagne bitches being sweet
Ever since that money came they have been known the deed
We found supermodels always in the poem of lease
Bitch I am balling balling like a bitch
Yeah I am balling balling like a bitch
Yeah I am balling balling like a bitch
I am balling balling like a bitch
We are in this mother fucker getting rich
Hello America swag catch me in Versace
Its imaging still get fly all these amateurs
Balling like a bitch so disquieting how I am pulling out

Fuck where my money .. three cars bigger crib
Couple of million .. competition see me more
Cars I imported .. I just didnt knew it
Then I got a new bitch next are my .. flows
Then I am on some new shit
Ever since I cant remember I have been balling like a bitch
private plane champagne bitches being sweet
Ever since that money came they have been known the deed
We found supermodels always in the poem of lease
Bitch I am balling balling like a bitch
Yeah I am balling balling like a bitch

Yeah I am balling balling like a bitch
I am balling balling like a bitch
We are in this mother fucker getting rich
