

Distant Sun

Lacuna Coil

We're never been apart
The day has come
I'm feeling that your sun
Shines away from me Tease me
Holding my hands you smile again
I couldn't see you away from me
I do realize it now Living in me
You are living in me You are living in me I feel you by my side
Your living soul wants to run away with me
Inside of me And now
Will something happen to me ?
How did I lose my guide ?
You left me all alone But now it is too late
I know it is natural but now
What can I do without your presence here ?
A never-ending pain Living in me You are living in me I feel you by my side
Your living soul wants to run away with me
Inside of me I feel you by my side
And I'm sure that I can't forget you
You are inside of me You are inside of me
