

Mad About You (Demo)

Slaughter

Don't you know know know
What you're doin' to me
Only you drive me wild
You're my ecstasy Can't you tell
By the look in my eyes
That I love you
I've gotta show ya
What I feel in my heart
Cause I knew it
Right from the start That I'm mad about you
I go crazy with
All of the things that you do
I'm mad about you
I'm so angry inside
And it's all over you
I'm mad about you Don't ya go, go, go
Too f-far away
I need you close by my side
Always here to stay It's been a long time baby
Ooh I keep this brewin' inside
I can't take anymore
Oh girl I'm made about you I'm mad about you
Can't you tell
When I look in your eyes
I'm mad about you
