Say

PFR

Let me go back
And do it all over again
What I know now
I wish I knew thenThere's a pain
That just will not dieLet me hear you say, it's okay
Let me hear you say, it's alright
I could really use some words of comfort
So I won't be alone tonight
So I won't be alone tonightLet me move on
I've said, I was sorry
Help me look out
And see the sun again'Cause there's a pain
That someday must dieLet me hear you say, it's okay
Let me hear you say, it's alright
I could really use some words of comfort
So I won't be alone tonight
So I won't be alone tonightLet me hear you say, it's okay
Let me hear you say, it's alright
I could really use some words of comfort
So I won't be alone tonightLet me hear you say, it's okay
Let me hear you say, it's alright
I could really use some words of comfort
So I won't be alone tonight
So I won't be alone tonightSo I won't be alone tonight
I don't want to be alone tonight
