Molly (16 Candles)

Sponge

See you naked in the bath
Cigarette stains on your hands
Wilted flowers in a vase
I ask "How are you? Yeah how are you?"I see your lipstick on your glass
I think you're drunk I start to laugh
I find your note the letters ran
It said "I loved you, yeah I loved you"Don't ask "Why?"
Don't ask "Why?"
Don't ask "Why?"
Don't ask "Why"?Sixteen candles down the drainI watch you passed out for a while
I touch your face you start to smile
And on your note is my reply
"I wish I loved you I wish I loved you"Don't ask "Why?"
Don't ask "Why?"
Don't ask "Why?"
Don't ask "Why?"Sixteen candles down the drain
Sixteen candles down the drain
Sixteen candles down the drain
Sixteen candles down the drainDon't ask "Why?"
Don't ask "Why?"
Don't ask "Why?"
Don't ask "Why?"Don't ask "Why?"
Don't ask "Why?"
Don't ask "Why?"Sixteen candles down the drain
Sixteen candles down the drain
Sixteen candles down the drain
Sixteen candles down the drain
