Lookin' For a Love

Bobby Womack

I'm lookin' for a love
I'm lookin' for a love
I'm gonna find
I've got to find someoneI'm lookin' for a love
Everyday I'm lookin' for a love
Well I'm and I'm lookin' here and there
And I'm searching everywhere
And I'm lookin' I'm lookin'
I'm lookin', I'm lookin'I'm lookin' for a love, lookin' for a love
Well now and I'm lookin' here and there
Searching everywhere gotta, gotta, gotta
I've gotta, I've gotta find someoneSomeone to get up in the mornin'
And rub my head
Someone to fix my breakfast
And bring it to my bedSomeone to do a little housework
And pamper me again yeah
With lots of love and kisses
But people until then
But right now, ohI'm lookin' for a love, yes sir
Everyday of my life
And I'm lookin' here and there
And I'm searching everywhere
And I'm lookin' I'm lookin'
I'm lookin', I'm lookin'I'm lookin' for a love
I'm lookin' for a love
I'm lookin' for a love
