Inside the Horror

Chimaira

A blank expression
Pale eyes wide cocked back
The sheer stagnation
Shame to all who thought this an actThe best years of this life
Felt wasted protecting a secret
Insecurities fed on like a ratDepression, true fears of dependency
Affliction, the scars on such a fragile little bodyLook, take a look inside the horror
Take a look inside
Visualize the horrors insideBurning sensation
To live just one day
In pure elation
Blame the ones who took this awayCan't provide shelter from
The dangers festering outside
Can't provide safety from
Monsters trapped within the mindDepression, true fears of dependency
Affliction, the scars on such a fragile little bodyLook, take a look inside the horror
Take a look inside
Visualize the horrors insideShake the hand of God
As the blade moves closer
The reflection is brighter than the sun
The perception becomes weakerThe sun starts to fade away
The blank expression on the blade
Skin calloused yet easy to pierce
On the floor blood mixed with tearsLook, take a look inside the horror
Take a look inside
Visualize the horrors insideShake the hand of God
As the blade moves closer
The reflection is brighter than the sun
The perception becomes weaker, oh weaker
