

# Inside the Horror

## Chimaira

A blank expression  
Pale eyes wide cocked back  
The sheer stagnation  
Shame to all who thought this an act  
The best years of this life  
Felt wasted protecting a secret  
Insecurities fed on like a rat  
Depression, true fears of dependency  
Affliction, the scars on such a fragile little body  
Look, take a look inside the horror  
Take a look inside  
Visualize the horrors inside  
Burning sensation  
To live just one day  
In pure elation  
Blame the ones who took this away  
Can't provide shelter from  
The dangers festering outside  
Can't provide safety from  
Monsters trapped within the mind  
Depression, true fears of dependency  
Affliction, the scars on such a fragile little body  
Look, take a look inside the horror  
Take a look inside  
Visualize the horrors inside  
Shake the hand of God  
As the blade moves closer  
The reflection is brighter than the sun  
The perception becomes weaker  
The sun starts to fade away  
The blank expression on the blade  
Skin calloused yet easy to pierce  
On the floor blood mixed with tears  
Look, take a look inside the horror  
Take a look inside  
Visualize the horrors inside  
Shake the hand of God  
As the blade moves closer  
The reflection is brighter than the sun  
The perception becomes weaker, oh weaker
