

# Like a Drug

## Kamera

Can't remember what happened  
I'm drifting round in circles  
when will I be in face again  
When I woke up this morning  
The space beside me was empty  
Things will never be the same again

It's like living in a video, video  
You know I'm pumping like a stereo, stereo  
'Cause I want you to use me like a drug  
Get high as the sun

I saw you out with another  
Something inside me was breaking  
Then I just ran out through the door  
Got to put me together  
Can't be broken forever  
'Cause you know what I'm waiting for

It's like living in a video, video  
You know I'm pumping like a stereo, stereo  
'Cause I want you to use me like a drug  
Get high as the sun

It's like living in a video, video  
You know I'm pumping like a stereo, stereo  
'Cause I want you to use me like a drug  
Get high as the sun  
I want you to abuse me like a drug

Don't fly high above the sun  
You might get abandoned, left alone

It's like living in a video, video  
You know I'm pumping like a stereo, stereo  
'Cause I want you to use me like a drug  
Get high as the sun

It's like living in a video, video  
You know I'm pumping like a stereo, stereo

'Cause I want you to use me like a drug  
Get high as the sun

I want you to abuse like a drug  
Get high as the sun (x4)
