

# Please Please

Devo

Love comes in spurts  
And love is all around us  
Love is what it does  
Sometimes it hurts  
Does that strike you  
Rather strangely, does it ever love? Please, please, please  
No need to be so cruel  
Please, please, please  
Don't treat me like a fool Love comes in spurts  
Sometimes it gets to be  
Too much to rise above  
If you love me  
You would leave me  
Leave me time to be alone Please believe me  
That would leave me  
Time to love you Does that strike you funny love?  
Be-bop-a-lua  
Be-bop-a-lua she's my baby When it's over  
Promise me that you'll go  
When it's over  
Promise you'll let me know When it's over  
Promise me that you'll go  
Just because what it was  
Becomes another empty cup of memories
