Who in the world you gonna hold
When all the world keeps
Holding on at ground zero?
We'll leave it all with the When the war it rages over the ages

Blood on the concrete, river of deceit
Will you be around? When it all falls down
And the law don't count
And it don't seem fair
And the people don't care Where in the world you gonna go?
Who in the world you gonna hold
When all of the world keeps
Holding on at ground zero?
We'll leave it all with
