Ground Zero

Chris Cornell

The speaker on?

Yeah, you like that? When it all falls down

And the law don't count

And it don't seem fair

And the people don't careWhere in the world you gonna go?

Who in the world you gonna hold

When all the world keeps

Holding on at ground zero?

We'll leave it all with GodWhen it all falls down

And we almost drown

Will they still send help

I guess it's every man for himselfWhere in the world you gonna go?

Who in the world you gonna hold

When all the world keeps

Holding on at ground zero?

We'll leave it all with the When the war it rages over the ages

You can't erase it once you spill the

Blood on the concrete, river of deceit

Will you be around? When it all falls down

And the law don't count

And it don't seem fair

And the people don't careWhere in the world you gonna go?

Who in the world you gonna hold

When all of the world keeps

Holding on at ground zero?

We'll leave it all with
