

Loud (feat. Lindsey Stirling)

Jessie J

Why don't they hate you?
Why do they hate me?
Why are their blocks set up to debate but only forsake me
How am I doing
And why do you care
With my failures comes the smiles
When I win, I write, you just compare
So why
Must I try to earn your love
When I'm better than what I've been
But that's not good enough,Â why
You can't hear my decency
Instead of me singing of friends
I'm talking over enemies
The world is soLoud
Loud, loud
It's so loud
Loud, loud
It's like hearin' pins drop in the crowd
They won't stop until they goddamn tear you down
Man the world is so loud
Loud, loud, it's so loud
Loud, loud
I try to drown them all out with my sound
But they won't stop
Stop until they tear you downUntil they tear me down, huh!Â (One day you will, take me as I am)
Until they tear me down!
(As I am)Wish for my destruction
That's why I'm so reluctant
Want me to pass the ball
But you're not on my team
You wanna cast a stone
We're so ready to fight
Got the nerve to ask "how did I sleep?"
I heard you all through the night
Somebody tell me why
I know it's not just me
Over a billion voices
Don't think, just speak

You hate me when I'm up
You love me when I'm down
I'm so confused by the world,
Hey the world is so Loud
Loud, loud
It's so loud
Loud, loud
It's like hearin' pins drop in the crowd
They won't stop until they goddamn tear you down
Man the world is so loud
Loud, loud, it's so loud
Loud, loud
I try to drown them all out with my sound
But they won't stop
Stop until they tear you down Until they tear me down, huh! (One day you will, take me as I am)
Until they tear me down!Â Until they tear me down,Â until they tear me down
Until they tear me down, until they tear me down Long ago, I swear that
I couldn't hear a sound
I couldn't hear a sound
There's a little girl, now
With a little fortune (with a little fortune)
Opinions wish to tear me down (Opinions wish to tear me down) Oh!
The world is so loud (so loud) Loud, loud
It's so loud (it's so loud)
Loud, loud
It's like hearin' pins drop in the crowd
They won't stop until they goddamn tear you down
Man the world is so loud
Loud, loud, it's so loud
Loud, loud
I tried to drown them all out with my sound
But they won't stop, stop until they tear you down
Until they tear me down (One day you will, take me as I am)
Until they tear you down!
Yeah (as I am) oh
(One day you will, take me)
Take me as I am
As I am The world is so loud!
