

Dive

Ed Sheeran

[Verse 1]

Oh, maybe I came on too strong
Maybe I waited too long
Maybe I played my cards wrong
Oh, just a little bit wrong
Baby I apologize for it[Pre-Hook 1]
I could fall or I could fly
Here in your aeroplane
And I could live, I could die
Hanging on the words you say
And I've been known to give my all
And jumping in harder than
Ten thousand rocks on the lake[Chorus]
So don't call me baby
Unless you mean it
Don't tell me you need me
If you don't believe it
So let me know the truth
Before I dive right into you[Verse 2]

You're a mystery
I have travelled the world, there's no other girl like you
No one, what's your history?
Do you have a tendency to lead some people on?
'Cause I heard you do, mmh[Pre-Hook 2]
I could fall or I could fly
Here in your aeroplane
And I could live, I could die
Hanging on the words you say
And I've been known to give my all
Sitting back, looking at
Every mess that I've made[Chorus]
So don't call me baby
Unless you mean it
Don't tell me you need me
If you don't believe it
So let me know the truth
Before I dive right into you
Before I dive right into you
