

# Something In This City Changes People

## Chicago

Maitre D's will seat me  
Knowing what I spend  
They offend  
So sad, so sad Smiling faces greet me  
Everyone's my friend  
They pretend  
So sad, so sad They see I am happy  
With my lady  
They're not satisfied  
All their feelings died Something in this city  
Changes people  
Makes them devil-eyed My love she waits for me  
When I'm far away  
Counting days  
So sad, so sad They all know our story  
Still they try to play  
Anyway  
So sad, so sad Flashing cars and money  
Funny faces  
Ego's magnified  
Quite unjustified Something in this city  
Changes people  
Makes them devil-eyed
