Phantom Amour

Toothgrinder

I lost my whole word
And I will never, ever save you now
You left me all alone, a possibility
To sit here by the sea
You want to set me free
It's all my fault
I know you never ever see me now
Forget about my hope, a possibility
The beauty of no beauty
It's what you meant to meI'm proud to say, ready to say
Do you know? tonight will come
I'm ready to lose everything,
To show you how, I need you so
Run and roll, yeahWell let me take you back in time
When I was played out with a
Bottle of Jack and a lost in time
And I seem to have doubt
'Cause basically time will be all you need
In the back of my all
You stand at the spot
To the for not to see what
Comes in the cradle
It must be fatal
Chups fine
this bullshit's part of a romcom scene
Can you tell that I'm head over heels though?
I'll wait to the bar
I'll torn our portion
I'll lose everything for the favour
Yeah...
I'm proud to say, ready to say
Do you know, tonight we'll go
I'm ready to lose everything
To show you how I need you soDrowning in, a tortured core
with whisky and words
A crew is born
Drowning in, a tortured core
with whisky and words
A crew is bornRun, run, run, runI'm proud to say, ready to say

Do you know, tonight we'll go
I'm ready to lose everything
To show you how I need you soI'll run and roll yeah
