

Rewind (feat. Akon)

Kid Ink

[Hook: Akon]

Nights like this gotta get a little crazy

Taking all these shots like

I can't miss, time to get a little crazy

She throwin' that back like

I pressed rewind

I pressed rewind[Verse 1]

I think I might've missed somethin'

All the messages that I get from

Your body callin', saying come and get some

Rewind, let me get a better listen

First name, last name, put you on a listin'

We could go for rounds like listin'

Pound for pound I got that OG

Stop lookin' around, this were you 'pposed be

Come in, take a seat with me

The line outside like the DMV

And I heard you was lookin' for the TNT in me

Baby girl I could blow your mind[Pre-Hook: Akon (Kid Ink)]

You got that good shit that's hard to find

You got that [?] love you long time

I wanna know about all the good things and the bad things

(That we could do)

I wanna know about all the good things and the bad things

(That we could do baby)[Hook 2: Akon]

Nights like this

Taking all these shots like

I can't miss

She throwin' that back like

I pressed rewind

I pressed rewind[Verse 2]

I'm all yours

From where I'm sitting baby girl I got a good view

I'm all yours

And the way I've been shooting lately ain't no way that I could lose

Champagne and Tequila, ain't no way I could choose one

I just mix it all in my solution

Make sure there's no confusion

You got that bomb pussy, I know just how to defuse it

Snake [?] to your hair like Medusa
Let me get you high baby, all the way to Jupiter
It's the time for you to choose, I know you in the mood
I can tell how you move to the music[Pre-Hook: Akon (Kid Ink)]
You got that good shit that's hard to find
You got that [?] love you long time
I wanna know about all the good things and the bad things
(That we could do)
I wanna know about all the good things and the bad things
(That we could do baby)[Hook 2: Akon]
Nights like this
Taking all these shots like
I can't miss
She throwin' that back like
I pressed rewind
I pressed rewind[Bridge: Akon]
Bust it open for me baby
Booty floatin' like a milkshake
[?] just like coco
But my baby's loco
Stay livin' YOLO
Like we're doin' [?][Pre-Hook: Akon (Kid Ink)]
You got that good shit that's hard to find
You got that [?] love you long time
I wanna know about all the good things and the bad things
(That we could do)
I wanna know about all the good things and the bad things
(That we could do baby)[Hook: Akon]
Nights like this gotta get a little crazy
Taking all these shots like
I can't miss, time to get a little crazy
She throwin' that back like
I pressed rewind
Throwin' that back like I pressed rewind
