

I Don't Give a Shit

[D.O.A.](#)

i'm a fuckin' bum, can't you understand that man.

i live on welfare, that's where i'm at.

i don't work work work, that's what i want.

i'm a fuckin' creep, people don't pick up on that.

they don't understand me, they don't know where i'm at.

i don't work work work, that's what i want.

i'm a fuckin' bum, can't you understand that.

i live just for me, that's where i'm at.

i don't work work work, that's what i want
