

Most Beautiful Girl in the Room

Flight of the Conchords

Jermiane: Yeah, Lookin' round the room
I can tell that you
are the most beautiful girl in the room

B&J: In the whole wide room

Jermaine: And when you're on the street
Depending on the street
I bet you are definently in the top 3
Good looking girls on the street

Bret: Depending on the street

Jermaine: And when I saw you at my man's place
I thought, "What is she doin' at my man's place?"
How did Dave get a hottie like that to a party like this

B&J: Good One Dave
Bret: You're a legend Dave.

Jermaine: I asked Dave If he was gonna make a move
and he said he's not sure
I said, "Dave, do you mind if I do?"
He says he doesn't mind but i can tell he kinda minds
But I'm gonna do it anyway.

I see you standin' all alone by the stereo
I dim the lights down to very low
Here we go.

You're so beautiful
You could be a waitress
You're so beautiful
You could be an air hostess in the sixties
You're so beautiful
You could be a part time model

And then I seal the deal
I do my moves
I do my dance moves

I do my dance moves

It's 12 '0 Two
Just me and you
And seven other dudes around you on the dance floor
I draw you near
Let's get outta here
Let's get in a cab
I'll buy you a kebab

I can't believe that i'm sharing a kebab
with the most beautiful girl I have ever seen
with a kebab

Why don't we leave,
Let's go to your house
we can feel each other up on the couch
Oh no. I don't mind taking it slow, oh oh oh

Cuz you're so beautiful
Like a tree
or a high class prostitute
You're so beautiful
You could be a part time model
But you probably would have to keep your normal job
Part time model

Spendin' part of your time modelin'
And part of you're time next to me
And the rest of you're time doing your normal job
