Roller Coaster

Dirty Loops

Come here
I don't know what happenedWhere did they go?
Nights like this don't happen anymore whoa
Oh babe
I need to know
Is it me and did I lose control? Yo voom voom (oh babe)
It's slowin' downLonely overseas
Only memories
Wish I had the key to your heart
People come and go
Baby, they don't know
What we had before
What it felt before our eyesRoller coaster, roller coaster
Spinning all around and around for a world baby
Roller coaster, roller coaster
For a minute we were up, but the next we were falling downIt's been difficult (difficult, difficult)
I'm just happy there's no fights no more (fights no more, fights no more)
But it's nights like this that I never ever missed you more
If there's a reason why this happens for, yeah(But I can't help I feel like)Lonely overseas
Only memories
Wish I had the key to your heart
People come and go
Baby, they don't know
What we had before
What it felt before our eyesRoller coaster, roller coaster
Spinning all around and around for a world baby
Roller coaster, roller coaster
For a minute we were up, but the next we were falling down(Bounce)
Lonely overseas
Only memories
Wish I had the key to your heart
People come and go
Baby, they don't know
What we had before
What it felt before our eyesRoller coaster, roller coaster
Spinning all around and around for a world baby
Roller coaster, roller coaster
For a minute we were up, but the next we were falling down
