

U Are (feat. BRKLYN & Amba Shepherd)

[Paul Oakenfold](#)

If I could start again
There is not a single thing I'd change
And I Wonder how
I think of only when
And I know it's through
There is so much that I owe to you
Only time will tell
If the story ends well Am I dreaming or is there so much more to go
You ought to know
Is it possible we ... after all, after all You are, you are, you are, you are the hope I need tonight, tonight
I can't deny
You are, you are, you are, you are the thruth deep down inside, inside
You are right
You are, you are, you are, you are the dream that can't dy, dy
And I can't hide
You are, you are, you are, you are the only reason why
The only reason
