

# Beautiful Lie (Soho Rooms Bacardi Dj Jeff Remix)

Yoav

Yesterday, today, tomorrow  
Fade away like frozen photographs  
Remember, forget  
The stakes, the ways you take  
The ways you make the moments pass Forever regret, I tell a beautiful lie  
And I would die if you find out  
I tell a beautiful lie  
Every time that I did not open up my mouth All the same, it's a game, it's a play, it's a war  
It's a shame that we were always fighting for  
I don't mean to cast no blame  
I don't intend to pretend  
I could never have loved you more But in the blink of an eye  
Everything you ever knew can change  
And it's a beautiful lie  
If you think everything will always stay the same Babe, my babe  
You got a secret, it's starting to show  
My babe, sweet lady  
How long can you keep it?  
How far would you go? You tell a beautiful lie  
You tell a beautiful lie  
And it's going to  
It's going to drive you crazy Babe, my babe  
It's starting to show  
My babe, sweet babe  
How far would you go, go, go  
To tell a beautiful Yesterday, today, tomorrow  
Fade away like frozen photographs  
Remember, forget, forever lie, lie, lie  
Beautiful lie, yeah
