

# Empty Arms

## Blues Incorporated

Empty arms that long for you  
And they wait dear just for you  
And these arms will stay this way  
Till you return to them someday  
Each lonely night I go to bed  
I hug the pillow where you used to lay your head  
Empty arms but not for long  
'Cause my baby's coming home  
And when he walks through the door  
These empty arms I'll have no more  
And when he walks through that door  
These empty arms I'll have no more  
These empty arms I'll have no more  
These empty arms I'll have no more
