

# It's Your Choice

## Warzone

If you ever looked to the reasons why  
All the ways they'll scam on you  
Cut you up with no regret  
They'll take whatever they can get  
We must unite - put up a strong fight  
Against society and their rules  
Before they do us in  
All the scenes together  
We're all the fuckin same  
As one - together - youth of today  
You - say you hate society  
You - say you hate their rules  
You - say you hate them 'cause they tell you what to do
