

Legion of Evil

OFF!

Breakout houses
Subservient masses
Nation's unglued
Behind unseeable walls
A dangerous group
That will damage the process Legion of evil
Immobilized Manufacturing
Public opinion
History proof
On a murderous spree
I'm a conscientious objector
Encouraging chaos
I disagree
Retaliation
Against
Horrible times
Treasonous snakes
With jello for spines
Waving a false flag
Of selfish deception Legion of evil
Immobilized
