

Guardian Angels

[Mario Lanza & Paul Baron](#)

Guardian angels around my bed
Joining me in my prayers
They hush the shadows when they dance about
They shoo away the bears
Guardian angels to comfort me
If I wake in the night
They gather all my dreams
Their halos are my light They dry my tears
If I should weep
They tuck me in
They rouse me from my sleep Guardian angels around my bed
Standing by till I rise
There's one with shining wings that holds my hand
And shows me Paradise
(Repeats)
