

On the Run

Ahola

Define the concept of "lame" Ain't it just the same
Ike a toothless, weak and unoriginal without an edge

 Oh, you knowÂ;

 We're on the Run - run

 We're on the Run - run

Don't those words describe Lowered standards
of Nutrition for our souls, of yours and mine?

 Where would you go?

 We're on the Run now trying to escape

 all the things we see and hear of

 There's got to be another way to play

 So We're on the Run - run

 We're on the Run - run

 This is where things are

 We haven't gone too far

Shortsightedness and the easy way out still rule the day

 We're on the Run now trying to escape

 all the things we see and hear of

 There's got to be another way to play

 Oh you knowÂ; we're on the run

 We're on the Run now trying to escape

 all the things we see and hear of

 There's got to be another way to play

 This is Metal of Honor that we play no matter

 if the time is unfavorable 'cause we know this is our way

 so we're on the run

 We're on the Run - run

 We're on the Run - run
