

Motivation

Sheryl Crow

Little white girl in a shiny black car
Hanging out with her friends and doing black tar
Daddy pays for the wedding with a fist full of dollars
Cost as much as the state of Guatemala, oh, why even try?
Well, I got a big car and a flat screen TV
All my loser friends and my boyfriend's family
Bring bags of food and watch reality freak shows
Everybody's faking it but nobody thinks so, why even try?
Got no grease on my hands
Got no serious plans
Whole world's waiting for me
'Cause all I gotta do is get it for free
Got no reason to bitch
Ain't no parties I've missed
Got to have it that way
'Cause baby, I got motivation, motivation
Skinny young dude in a hundred dollar tee shirt
In King James kicks and a brand new manicure
Hotties doing pilates with the snotties and the pleasers
Sneaking in the back door at Coconut Teasers, why even try?
Well, I dropped out of school when I was seventeen
'Cause I didn't have time to study my magazines
'Cause there's a lot to learn from the privileged few
Like how to build a brand wearing high heeled shoes, oh, why even try?
Got no grease on my hands
Got no serious plans
Whole world's waiting for me

'Cause all I gotta do is get it for free
Got no reason to bitch
Ain't no parties I've missed
Got to have it that way
'Cause baby, I got motivation, motivation
I'm gonna own this town
I'm gonna own this town
I'm gonna own this town
Yeah, it's all mine, oh, why even try?
Got no grease on my hands
Got no serious plans

Whole world's waiting for me
'Cause all I gotta do is get it for free
Got no reason to bitch
Ain't no parties I've missed
Got to have it that way
'Cause baby, I got
Got no grease on my hands
Got no serious plans
Whole world's waiting for me
'Cause all I gotta do is get it for free
Got no reason to bitch
Ain't no parties I've missed
Got to have it that way
'Cause baby, I got motivation, motivation
Motivation, motivation
