

# Kisses and Tears

## Bad Boys Blue

My love  
now you're lying lonesome with visions of bluevisioning you.  
Again  
you let your heart go when whenever you do  
it's hurting me  
too.  
When damage is done  
I watch you run it's me you call  
to me you come. Kisses and tears - my one and only Don't be lonely  
I'm right here.  
Kisses and tears - we'll turn that bad dream  
To a good thing  
it's so clear. Kisses and tears - a new world's waiting  
That we're creating with our love.  
Kisses and tears - my one and only Don't be lonely  
don't you run. You know how a heartache ends with visions of blue abandoning you.  
I know that we're more than friends you know that it's true  
it's long overdue.  
No more to run  
no damage done now hear my call  
to you I come. Kisses and tears - my one and only  
...  
Kisses and tears - a new world's waiting . . . Kisses and tears - my one and only  
...  
Kisses and tears - my one and only  
...  
Kisses and tears - a new world's waiting . . .
