

# Beautiful Pain

Eminem, Sia

Beautiful pain, beautiful hurt  
Beautiful face, beautiful earth  
And you my love, most lovely of all  
Won't fall Beautiful heart, beautiful words  
Beautiful loss, beautiful world  
You my love, most lovely of all  
Oh, you my love, most lovely of all  
Won't fall Wonderful days, wonderful sounds  
Barely a breath it's heaven or hell  
And you my love, most lovely of all  
Oh, you my love, most lovely of all  
Won't fall And you my love, most lovely of all  
Oh, you my love, most lovely of all  
Won't fall Beautiful pain  
Beautiful pain  
Beautiful pain
